PROJECT EXPERIENCE

Developed 20 software applications using technologies that included Python, Java, HTML, CSS, Flask, Spring Boot, and MySQL. Collaborated with other developers on individual and group projects.

WORK EXPERIENCE

Sales Representative, Gutter Pros LLC, St Louis, MO, August 2018 – Present

Met with residential and commercial customers regarding gutter repair or replacement. Analyzed their situation and calculated an estimate. Teamed with project manager and crew to schedule the work and assure job was done correctly and completely. Refined the estimate process to be quicker and more efficient.

Sales Representative, Birdsong Company, Berkeley, MO, September 2017 – August 2018

Met with residential and commercial customers regarding garage door repair or replacement. Assessed the situation and provided an estimate. Entered all customer information and estimates into database.

Roofing Sales Representative, Bob Batzer LLC, St. Louis, MO, August 2010 – September 2017

Self Employed roofing sales. Gathered leads by various methods, met with homeowners to discuss roof repair or replacement, calculated estimates, met with insurance adjusters if storm damage was present, advocated for the homeowner if a claim was filed, ordered and scheduled delivery of all materials, inspected work after completion.

EDUCATION

LaunchCode, LC101 Programming Course — 2018 - 2019

20-week training program which taught core programming concepts using Python, HTML, CSS, Flask, Java, and Spring Boot
